DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, TO THE CITY OF SAO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Follow the footprints of love that My Son has left on your paths.

Recognize His presence within you and hold on to Him so that someday you may receive the sacred treasures of His Heart.

Relive each moment shared in Communion with His Spirit, in the daily prayer that arises from His kind Heart, and thus, surrender to Him, so that My Son may be able to perform the miracles of life, in the name of the Love He has for humanity.

Do not stop moving forward, of being determined; in this way, you will allow the Holy Spirit to fill you and you may be blessed by the purest expression of God.

Protect the innocence of your soul. Open the doors to your inner dwelling place, so that Christic Love may be deposited there.

Be brave and walk till reaching the last steps of redemption so that you may enter the Heart of the Celestial Father.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
