DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

In the silence of My Heart and in the stillness of My Soul I contemplate all things and I try to have you find your correct path. There are a few of them that cause My Heart to suffer, above all when there is no consciousness or resolution to carry forward the great changes.

Thus, I find the places I have consecrated to be like abandoned; places where before divine energy existed, which now, for some reason, is not there.

For Me, this demonstrates a lack of consideration, or the lack of valuing things that come from Grace, since it was the energy itself of Grace that granted wonders and miracles in the hallowed places.

When a place consecrated by God is neglected, it is because of the loss of love that exists for all that was once received, and that is first reflected in the consciousness.

Thus, the Celestial Hierarchy hopes that the consciousness that might be neglecting the divine energy, which is a treasure from Heaven, may someday awaken and recognize it.

But when there is no true interest or ardent devotion, everything becomes difficult, and little by little, the great defects of neglect begin to be noticed in all details and in all places.

Only the spiritual Hierarchy has the authority to redo all things, since, in an occult sense, there are places already consecrated that must not be lost.

For that reason, I come to raise up with My own Hands that which is fallen; I come, in love, to erect again what is already fallen to the ground.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
