DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

I plead for the world, so that some day the consciousness of the planet may be heard in the inner world of souls, as a great blast of light, and thus, human beings may realize that the Earth needs them.

I plead for humanity so that some day souls may recognize the divine riches of God within themselves; above all, that those souls most distant from God are able to recognize what is precious existing in the essence of each one.

I plead for the Kingdoms of Nature, so that the beings on the surface of the Earth may be able to perceive how much help and care the Younger Kingdoms need in order to survive in these times in which they suffer exploitation, abandonment, and a lack of love.

I plead to the Father for all My praying armies so that they may be strengthened more each day, and make of each meeting of prayer an opportunity for redemption and a compassionate act of mercy.

I plead every day to God for the intentions of all My children, especially towards the planet, which in its silence, talks to the Universe of the suffering it endures in various parts of the world.

I plead to the Father that more creatures may be able to have an awakened consciousness about Creation and about the need for an immediate loving assistance on the part of all human beings.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
