DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN PRAGELPASS, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Finally somebody places their gaze on this, on My Church and chapel of the people.

Finally somebody comes to visit me in the Sanctuary so that I can pour My Graces, the Graces of a meek Heart, that cannot do it without having a place and a space to pour My Love.

But today I have found this place in the heart of Mine who, in spite of everything, comes to Me and visits Me.

I am present and attentive in all the Sanctuaries on Earth, there I can attend to their supplications.

My Heart is sorry when the souls forget Me and leave Me aside, because then I cannot do anything, I cannot give anything while the souls are distracted with the world and do not visit the Blessed Sacrament.

I encourage you to remind your brothers and sisters of this and, in spite of how empty the Churches are, to call and invite your friends to visit the Silent Blessed Sacrament at the altar.

Thus, I will give you all the treasures that I have and I will be able to pour the Fountain of My Mercy on those who most need it, and also on those who search for it in their heart.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Jesus Christ
