**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Know, My children, that My Immaculate Heart is among you so that your lives, as little children of the Great Father, may be guided through the paths of peace and redemption.

For this reason, little children, today I invite you to live on prayer through the union with Me in the devotion to the Most Beloved Heart of Jesus. Thus, dear children, you will be quenching the thirst for souls of all this humanity that My Son has.

All I ask, little children, is that you trust the purpose of My Peace so that it may be manifested in all the hearts that are thirsty for peace. Your little hearts, united with Christ, relieve the great sorrow of this humanity, which has arrived at the time of reconciling itself with the Celestial Father. And this will happen by means of the path of prayer that each of you builds day by day.

In this way, dear children, the Primary Source of the Divine Mercy of My Son will be able to be poured for some more time over the world, especially over all those children who do not hear the voice of My Immaculate Heart. To all of them the time will come for the reencounter with the true Eternal Father.

The path of the redemption of the heart is a path that My call is preparing day by day through the daily messages. Therefore, I will be able to say to all those children who may approach Me through the daily messages that they are on the path of redemption.

I promise to be present when hearts unite to Me. Then, in this moment, My Maternal Heart will be one with each one of My little children.

May the Celestial Peace reverberate in your hearts so that your lives are converted into pure prayer.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
