DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE EL CÓNDOR SEASIDE RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Never forget My Mercy, for you will always need it.

Each time you exercise and practice My Mercy, a miracle of love is generated in your soul and in the soul of the planet.

For through the Chaplet you invoke Mercy due to the merits gained during My sorrowful Passion, and the Father, Who is infinitely merciful, receives this request and, instead of applying His Holy Justice to you or the world, grants His merciful Compassion to all sinners of the world.

Remember that each time you invoke the merits of My Passion, by means of the power of the Rosary of Mercy, you will be opening the Wound on My Side, and from Me will pour out the Light of the Blood and the Water of Christ, over all that has been spiritually corrupted and destroyed.

Happy will be those who always invoke My Divine and Unfathomable Mercy, because each time it is necessary, I will submerge and baptize them in the Ocean of My Mercy and I will grant them all the most immense Love of My Heart.

I thank all who present themselves as apostles of My Divine Mercy, because their sufferings will be My sufferings, their sorrows and anguishes will be My sorrows and anguishes, and through the power of My Love, I will free them.

Happy will be those who always trust in My Mercy, for I will not abandon them at the time of their death, but rather will be at their side like the Angel of Resurrection.

I thank you for invoking the Mercy of My Heart!

Who blesses you,

Your Master, Christ Jesus
