DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "Ascension"

This canticle places us consciously before higher realities, and in a especial way, reveals to us the existence of aspects of the human being that still are unknown to the majority.

This canticle brings us closer to a truth that already exists in the Universe, something that is part of the principle of universal life and that is conducted through inner levels that already know where our next cosmic destiny will be.

This canticle reminds us of the basic conformation of our being, that we are not only matter that is born, lives, and dies, but that all the experiences, which occur on Earth, including the daily ones, are part of a great chain of learning marked by acts of love, of forgiveness, of redemption and of reconciliation.

The Holy Spirit is revealed in this canticle as this powerful flow of divine energy that can express its Gifts through the terrestrial, as well as the spiritual, consciousness.

The Holy Spirit of God helps to gather all experiences, so that, lived on the different levels of the consciousness, they may serve as a legacy and learning for the New Humanity, as well as for the remembrance and knowledge of the universal Dwelling Places.

At a universal level, certain Solar Regents are the ones who take care of and protect the evolution of these learning experiences that cause the human consciousness to awaken to the fulfillment of its purpose and its mission.

These Regents gather together all the evolutionary and spiritual legacy that a consciousness has been able to experience on Earth so that it may serve as knowledge for the awakening of new inner virtues.

This is the reason why the experiences of life unavoidably lead the human being to achieve the meaning and the reason for their having come here to this world.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
