DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE EL CÓNDOR SEASIDE RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

From the Higher Universes, your Master has already begun to descend for the second time to Argentina, within this course of the Pilgrimage for Peace.

From those Universes, your Master and Lord approaches the Earth in the company of the celestial spheres coming from far away regions of the Local Universe.

All this conjuncture prepares for the moment in which the Lord of the Universe will unite with the great spiritual teraphim of all times.

This will be the moment in which the Greater Priest will take up the Holy Chalice in His Hands to again celebrate the supper of the planetary transition with His people.

For this reason, companions, the Local Universe and the Spiritual Universe silently accompany the coming of the Shepherd to the south of Argentina, where the ceremony of communion and of the upliftment of consciousness will take place, in order to reposition the purpose of Argentina within the Project of the new Eden of South America, ardently preparing for the emergence of a New Humanity, free of the errors and mistakes from all times.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master Christ Jesus
