DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

I give you a patient heart so that you may have a humble soul. I give you an abnegated life so that afterwards you may have all the wealth in Heaven.

Do not seek another love as pure, true and simple as the Love that I have for all of you. The beings from the Earth are still human and all are able to be in error without perceiving it. For this I ask you that your eyes may encounter the true love of God in My Most Sacred Heart of Love because there your tears will not be spilled, but rather your heart will be magnified with joy for only being with Me.

My Merciful Heart, all of the days at three in the afternoon, has an infinite space waiting for each essence of this Earth. From My Death on the Cross, out of love for you, and after My Resurrection I guarded for each being a sacred space within My Unfathomable Heart of Love so that you would be able, through Me, to again trust and love the Will of God.

I only ask the ones who have faithfully consecrated themselves to My Most Sacred Consciousness, that their eyes only be directed in love towards My Heart of Peace because in this way your feeling that lacks love will be filled only by My Redeeming Presence. Seek love in each act of charity and of good because from now on My disciples must be the new receptacles so that I may be able to pour My Love for this blind humanity.

For this cultivate a grand love for My Father so that the enemy may not tempt you with false human love. By means of the merciful prayer quench your lack of inner love and feel completely loved by My Great Heart of Husband and Shepherd.

Allow that the essence of the love of God may be able to be sown in you through the simple but true prayer that day by day you donate to Me. Above all things prepare your hearts for the times that will come. Whoever may want to quench the thirst of love, only come to Me.

I Am trust, I Am plenitude, I Am peace, I give you the faith that you need for all of the days of your life. Live in My Love and do not reject It as the world already rejects It for living in the false modernity of love. Always seek shelter in Me.

Under the Pure Love of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
