DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DURING THE JOURNEY FROM BUENOS AIRES, ARGENTINA, TO SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Your Heavenly Mother, together with Her pilgrim children, walks taking steps of light towards the lands of Brazil so that I may be closer to all of My Brazilian children, at this time in which the destiny of the country will be defined by the discernment and the election of the children of God.

For this reason, your Heavenly Mother is already to be found in vigil and in prayer for the next few hours, and I inexhaustibly pour out all the Love I have for the Brazilian people, upon the essences that are and will be in prayer, with Me.

My Children, at this time I unite My Rosary of Light with the rosaries of all My praying children, and with maternal gratitude, I hear the voices of those who pronounce the prayers of the Hail Mary to Heaven.

My angels work tirelessly at this moment in order to gather up all the sincere intentions and the prayers of those who, for love, ask to the Celestial Father for Brazil.

Thus, I unite to each sincere heart, and on the inner planes, we pray together for the establishment of a sovereign peace.

I thank all those who unite to the Mother of God for the good and justice in Brazil!

Who blesses you,

Your Mother Mary, Rose of Peace
