DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE EL CÓNDOR SEASIDE RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My Light penetrates the world to separate it from error and suffering.

From My Light comes the Renewing Source, the impulse that will bring about the awakening of consciousness to humankind of the surface.

My Light penetrates the world so that a new redeemed consciousness, purified and sublimated by the Christic energy, may emerge from it.

My Light penetrates the cells of all beings so that, at some point, the souls perceive the time of their awakening.

From My Light emerges divine existence and I share this Light with My brothers and sisters, bringing them the moment of the great revelation.

The Light that I cause to penetrate the world is invincible, solid and immutable.

From My Light emerges Love and Love brings Truth, the Truth of what was created, thought, and consummated.

From this Light comes the beat of life and the manifestation of the field of consciousness, a consciousness that is enlightened by its own light, which is transcended by its own energy.

That is the Divine Consciousness, which, being immutable, neutral, and powerful, reveals the essence of original existence, of which all are a part, and towards which all, one day, will go.

From My Light comes the revelation of the mystery, and from that mystery, the sacred knowledge will be unveiled, which will awaken beings to a greater life.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
