DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE LOCALITY OF SAO JOAO BASTISTA, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELIAS DE SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

First Day

Companions,

During these coming nine days, I will sincerely reveal to you the nine principal thorns that hurt the Sacred Heart of your Master and Lord, the ones that I will ask you to remove, one by one, in order to relieve the pain that many souls cause to your Redeemer, and so that your Master may have the spiritual authority to assist and rescue the souls that have perverted and deviated from the path of true Love.

For this reason I come to ask you, in these times and in all the times you may feel to do it, to pray this powerful novena to the Sacred Thorned Heart of Jesus so that your souls, through the power of My Glory, may also be free and safe from any current perversion and so that, in this way, the Heavenly Father may be able to fix His Eyes of Compassion, Pity and Mercy upon those who pray this novena with devotion.

The means by which you will be able to remove the painful thorns from the Heart of your Redeemer, each day of the novena, will be the Rosary of the Divine Mercy.

If you pray fifty beads, this will have an intercession effect.

If you pray seventy-two beads, this will have another intercession effect.

But if you pray one hundred and fifty beads, your Master will have more amplitude at the time of interceding for humanity.

Today I will reveal the first thorn to you, which through your prayers, you will have to remove from the Thorned Heart of Jesus: the thorn of lie and deception that hundreds of souls live, as if it were normal for the life of humankind.

The thorn of lie and deception, which was placed in My Heart by those who are not transparent and true of spirit, soul, mind and heart, is one of the thorns that hurt My Soul the most; because souls that live in lie and deception pervert themselves through habits that poison the spirit of each person.

For this reason, today I come to ask you to remove this painful thorn from My Heart so that these souls that are blind and far from love may be worthy of My Mercy.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
