SPECIAL MESSAGE IN THE MARIAN CENTER OF AURORA, TRANSMITTED BY THE BLESSED VIRGIN MARY, DURING THE VIGIL OF PRAYER, TO MOTHER SHIMANI

Dear children:

In the day of today I give graces to all for the answer of your beings of love and I bless your paths, those which take you towards the Heart of My Son.

Today the loving answer of all will give even more strength to My Marian work in this part of the world, the one which day by day grows, as grows your love for Me.

In these moments, My children, in which your souls are closer to Me and to the Presence of My Son whenever you give all for love, whenever you only donate yourselves for love to Me, to humanity and to the Creator.

Today I bless you with My love of Mother, of Pilgrim, of Guardian of all of the souls. I will be with you this year more intensively than ever, and know My beloved children, that the more you donate yourselves to My work of love on Earth the more present I will be.

Clamor for My presence in your lives, clamor for My presence in your homes, in your cities and God the Creator will hear your sincere pleas.

Here I am, children, together with each group of prayer, together with each soldier of My Heart. My guardian angels spread themselves through the whole world accompanying you like sparks of celestial light that only seek to take peace and protection to all.

They will be with you every time that your heart and your house open themselves to receive them.

I am with you, along with My Son, I observe you and accompany you.

Thank you for answering to My call.

Mary, Mother of God and of all.
