DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN BAHÍA LÓPEZ, BARILOCHE, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

During the Hour of Mercy, while the greatest flow of the Fount of My pitying Heart opens, everyone has the unique opportunity to be able to submerge in My Ocean of Love so that the most serious faults committed may be forgiven and the deepest wounds may be healed.

At the Hour of Mercy, companions, the Wound of Light of My Side opens to pour out the most potent flow of the Pity of God upon the sinners who sincerely and truthfully ask for Mercy.

At the most culminating hour of Mercy, while every day the sorrowful Death of the Lord on the Cross is remembered, souls, and the whole world, have the opportunity of purifying their heart of every spiritual stain and of being able to enter into the Kingdom of the Heavens, simply by remembering the sorrowful Passion of Jesus.

Announce to the world that the deepest depths of My Mercy are still open so that souls, during this definitive hour of humanity, may achieve spiritual salvation and universal forgiveness.

May your lives be a testimony of My Mercy.

May your examples and acts be merciful, so that in the great universe of My Mercy, souls and the world may achieve peace.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
