DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM BUENOS AIRES, ARGENTINA, TO THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "Alleluia"

In this song, the inner invocation is centered upon the receptivity of the consciousness when faced with the teaching and the knowledge given by its Master, that is to say, the Instructor; and in the openness to hear the Truth, in order to learn to follow the Law and to fulfill it.

This love for the Law will allow the soul to awaken even more to service, because it will lead it into seeking the good in all places and will give it the impulse towards the ardent aspiration of achieving, through devotion, the union with universal life.

The song also reveals that the disciple has no uncertainties about the great Hierarchy. This is because the faith of the disciple is concentrated upon learning to live and to love the Law of the Hierarchy.

This brings inner security in the steps, that must be taken, to someday concretize the experience of the mission to be accomplished in this world.

To carry out this experience, which will change the life of the disciple, the song indicates the way, saying that habits must change so that this experience of living the mission upon the Earth be real and have no oscillations.

All this surrender that will be achieved will be in the name of the Lord and for His Glory. This will lead the disciple into detaching from riches through the living of the Law.

So that this total experience may be reflected in the life of the disciple, he must gauge his strength during purification and not challenge evil.

Thus, in this resignation and surrender, he will emerge as chosen, among so many, to reflect only gratitude before the Messengers who fill Heaven with signs, determining for the spirit and profound for the transformation of the soul.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
