DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May Peace be a reality in the world, a path to life, a divine reward in the hearts of the just.

May Peace be the flag raised in the Earth's sky, announcing the Victory and the Glory of the Kingdom of God.

May Peace be the cure for the past, the balsam that restores the wounds of a time of chaos and of fear.

May the Peace achieved by men be established also in the Kingdoms of Nature, permeate the planet and radiate to the four points of the universe.

May Peace, triumph of God in the human heart, be the beginning of the Thousand years of preparation and union with Christ, so that, after the final battle, the Kingdom of God return to govern the interior of all creatures, regardless of where they came from.

May Peace in the heart of those who remained faithful to God be the reason of redemption and reconciliation with Him, for those who have never met Him.

Peace will be the engine that will propel men to salvation.

Peace is what keeps you standing in a world of pain and tribulation.

Do not lose Peace, source of love and life.

Do not lose Peace, the basis for the maturing of faith.

Do not lose Peace, unbreakable fortress of the meek.

Be peacemakers of Christ, so that you may establish His Kingdom in this final time.

Peace to all, Peace in everyone eternally.

Your beloved Companion, Peacemaker in Christ, the Most Chaste Saint Joseph
