DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

With My hands, I untie the knots and break the chains that imprison the consciousnesses of My children.

As a Mother, I slide My Sword of Light between the shackles so that they break, and souls feel liberated from captivity.

I come as Co-Redeemer to help My Son in the redemption and in the salvation of souls.

Therefore I offer God the Gifts that He Himself gave Me to be able to rescue His creatures from the different abysses of the Earth; thus, I renew the Divine Project in humanity.

As a Mother, I remove the veils of human blindness so that My children, for a moment, may see their spiritual reality, and through Me, they may encourage themselves to vanquish and transcend the different aspects of life, even though the purification of some of them may be painful.

However, despite the storms, I have My children triumph through the luminous strength of prayer and the unconditional service to souls. In this way, I generate a state of healing and spiritual restoration when I draw close to My children daily, so that they may feel supported and encouraged in their faith to continue their transformation in Christ.

I thank you for keeping My words with love, because love is what I offer you!

Who blesses you,

Your Mother Mary, Rose of Peace
