DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN VILLA LA ANGOSTURA, LOS LAGOS, NEUQUÉN, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children:

When your Heavenly Mother has the happiness of visiting the house of Her children, in the inner world this trust in God is strengthened and faith manifests like a flower in the rays of the Sun.

Through My Visitation to the homes of the families, the Mother of God finds shelter and rest; thus, the Heavenly Mother regains inner strength to continue walking in this world, to search for and to rescue Her most lost children.

For this reason, when your Heavenly Mother is received with great love, Her angels in Heaven, who descend with Her, transform the spaces into sacred precincts of prayer and of vibration, as an offering of devotion to God.

The Visitation of Mary to the families of the world represents the possibility of reconfirming that spiritual and inner affiliation which each child of Mine has with the Mother of God.

In the face of the predominant lack of union in hundreds of families in the world through a lack of love and solidarity, the fact that the Mother of God visits this simple house today means the spiritual opportunity to intercede, in a planetary manner, for thousands of families.

As from now, I thank you for this reception, because on this day the wounded bosom of families is being healed by the balm of the Love of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
