**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF QUITO, ECUADOR,
TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Lift your heart to God and do not tire of doing so, because at this time the heart must be the secure receptacle for God to live within you and carry forward His great Will.

Lift your heart to the Highest and do not tire of doing so for all of those who, in this time, do not lift their heart to God and do not humbly ask for help.

Lift your heart to Heaven and make each stage of life a moment of prayer, capable of repairing the human consciousness, able to attract from the Universe all the Grace that this world needs.

Lift your heart to the Universe and be part of the stars.

Be encouraged to transcend the differences and all that separates human beings from God.

Be a part of the Christic Heart of My Son so that, at this acute moment of the planet, the souls may find God within themselves and have something to cling to.

Lift your heart to God and make of each moment an opportunity of inner consecration.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
