DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Fifth day

Remove, My child, the painful thorn of the ingratitude of men.

After all the support they received, through the Passion and the Death of the Lord, humanity, in this time, is very ungrateful toward Me.

Relieve Me, completely, from this sorrow, and through your fervent prayer, remove from My Heart this flagellating thorn.

Ask the Eternal Father, for the sake of the Birth and the Death of His Son, to have pity and mercy for all souls that, throughout time, have forgotten to thank and to recognize that the Divine Providence is perfect for everyone, both in abundance and in the lack of something.

Now, before this revelation, recognize your possible faults and those moments in which you were not grateful to Providence and how many times you thought, felt contempt or even rejection, for what the Universe was placing before you as a test or as an instrument.

The gratitude of souls must be present in everything. A soul that does not express or live gratitude is like a lost soul, disoriented in a vast desert, that, dying, feels a lot of thirst.

Gratitude for all that has been received has been completely lost from the consciousness of humanity. For this reason, the thorn of ingratitude hurts My Sacred Heart very much because I know that souls are not conscious of, nor do they have discernment about what they are expressing as ingratitude.

How many have benefitted from the Supreme Providence and today indulge in denying My Work and in living a superfluous life, as if they had never known Me! And they still think they are in Me!

Woe to these souls! What will become of them in a short while? Does anybody know?

For this reason, make My Heart glad with the gratitude of your heart, because this is worth more than much knowledge, than many abilities or skills.

Gratitude is the direct door towards the Love of My Heart.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
