DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Seventh day

Today, remove from My Heart, the painful thorn of lies.

Remove from My Heart the lack of transparency and of loyalty that the souls of the world make Me feel, who believe they deceive their peers, but who will never be able to deceive and lie to God.

Pray with fervor for this kind of sinning soul, because they feed on superstition and are led to condemn themselves to Hell, from a young age.

Wholeheartedly, ask the Celestial Father for the Mercy of His Heart, and through the merits gained from the Resurrection of His Son, place, at the feet of the Creator, all these souls that lie and cause many more souls to lie.

One of the greatest sorrows of My Thorned Heart is the lack of purity and transparency in the hearts of the world.

Now, observe yourself, and, however insignificant it may seem, do not allow lies to take possession or control of your life, because lies are like a hidden nest of serpents, full of temptations and of deceits.

For this reason, take the risk of living the Truth and of being transparent even in the smallest details; in this way, you will eradicate from the human consciousness this tendency to deceive everyone, in every moment.

For the sake of the Merciful Love of My Heart, frequently watch yourself so that, in the analysis of the consciousness, you may always reverse the faults and be filled with the Holy Spirit, which will give you the impulse to live an apostolic life, in a total and selfless manner.

Gladden My Heart, which is wounded by the sins that the world experiences, and, through My Presence, plead to the Heavenly Father so that Mercy may defeat the lies and the most lost hearts may convert.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
