DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Eighth day

Today, although it may seem impossible to do, remove from My Heart the thorn of infidelity and of grievance.

How many souls in the world are unfaithful to Me daily! And this is so rooted in the human consciousness that it is now considered something normal.

The infidelity of those who wound My Heart is so unbearable that the Fire of Love that I hold in My Heart is in agony, because souls lose their fidelity and trust in the Master.

Ask the Celestial Father for all those who have been and will be unfaithful to Me someday.

I offer to open My Heart so that souls may enter My Temple to commune of the Truth and free themselves from suffering.

You should know that one of the causes of infidelity is the distraction and the world illusion of these times.

Plead to the Supreme Father for all unfaithful souls so that someday they may receive the grace of being immersed in the spiritual ocean of My Mercy, in order to receive a new opportunity.

There is still time to avoid the mass destruction of many hearts.

Now, recognize your possible infidelity in word, in feelings and in action; but do not see it as a torment; look at it as a constant practice of correction and of persistence so that you may receive healing by means of the science of faith.

Affirm your consciousness as part of My Consciousness, and in this inviolable and infinite union, consecrate yourself to My Heart of Thorns so that the roses of love and of fidelity may be born from My wounded Chest.

I thank you for your efforts because in the small is built the large, and in the humble is built the unalterable and the eternal.

I thank you for keeping My Words in your heart!

Who blesses you and loves you,

Your Master, Christ Jesus
