DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Novena to the Sacred Thorned Heart of Jesus

Ninth day

There are already thorns in My Heart that have turned into flowers of love for the Lord.

This is a sign that, beyond any circumstance, the faithful love of Mine is reaching the depths of the Heart of the Shepherd and the pains are being alleviated by the prayer of those who cry out for Mercy, not only for themselves, but also for the whole world.

But that does not mean that humanity will cease to put painful thorns in the Heart of the Lord; however, the faith of those who believe in Me will allow the conversion of what seemed impossible.

Today I come to ask you that, through your prayer, you remove the ninth thorn in the Heart of your Shepherd, which is the thorn of the materialistic and lavish life.

This thorn provokes in Me immense pain, since souls, through all that is material and concrete, turn toward a life of vices and of pleasures, forgetting what is essential, what the creator Universe placed in the inner world of each being.

For this reason, ask the Celestial Father for the souls that are completely submerged and abducted by the temptations of the material life and of luxury.

You, stop for a moment and reflect, so that within you may manifest a detachment of all that is petty, superfluous and that does not build the brotherhood among beings.

Empty yourself completely and let the Fire of My Love invade you, even when you believe that nothing happens.

Pray wholeheartedly to God so that His immense and infinite Mercy may be poured out over those who are hypnotized by the world illusion, so that they may receive the impulse of the awakening and of redemption.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
