**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN EL CÓNDOR RESORT, RÍO NEGRO, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

May the mirror of your heart be the guide and the light in the darkness of the world.

May the mirror of your heart be the bridge for the Primordial Source of Love and of Peace.

May the mirror of your heart be the sacred receptacle of the divine Gifts of the Holy Spirit, so that you know how to discern, console, shelter, and bring Peace, not only to your own heart, but also to those who are around you.

Raise your eyes, child, to the Heavens, so that you do not lose sight of the Divine Purpose. Do not let the things of the Earth confuse you, nor the mental confusion of man influence you, and regain, once and again, your unity with what is High.

Pray and let the mirror within you always be active, alive, and luminous, to guide you and protect you in these times.

Be, your heart, always in God, and your consciousness always in the Cosmos. Recognize the need for the planet to be purified and bear with love the weight of the last cross of the world. In your heart you have everything that you need to overcome these tests that will come.

Multiply, with prayer, the graces that you received; consolidate with consciousness, your union with universal life. Remember your origin, your purpose, and your destiny; remember that the objective of the cross is the universal triumph, as long as you live it with love and gratitude, overcoming and renewing yourself in adherence to the Divine Purpose.

Know, child, that you received everything to live this moment. Contemplate the mirror within you and find there your fortitude.

You have My Blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
