DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

When a heart breaks inside, it is a sign that the Law of Inner Liberation is being fulfilled.

Therefore, on this day, leave your heart open so that, like others, it is available for structures to fall and all forms to be broken.

Leave your heart available for all that it must experience, because thus you will allow the Universal Laws to flow in you, those which will order your life and adjust your consciousness.

May your heart find the necessary liberation from all that hinders the free walk of the disciple of Christ.

Let your heart conquer the emptiness of self so that it may soon be filled by the balm of the Mercy of My Heart.

Surrender, as if nothing else makes sense, and in this way you will find the exit door that will lead you on the path of hope and Greater Love.

Let everything within you find a meaning, a realization thought of by God, but which is not under your human power.

In this sense, allow the Work of Love to act within your being so that in the next cycle you may be what in truth the whole Universe expects you to be.

Follow My Steps of Light.

I Thank you for keeping My Words in the heart!

Who blesses you,

Your Master, Christ Jesus
