DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Son, daughter,

Feel your heart to be clean before My Presence and be in peace.

Trust in the God of Pity and of Mercy, because guilt does not exist. Guilt comes from fear, which is the opposite of love and of truth.

Dissolve your feelings of guilt in the spiritual light of My Heart and all will pass.

There is nothing that can prevent your reconciliation with God, because God is an eternal Love that understands and gives shelter. Let My spiritual Light undo those knots that only create resistance and fears.

Trust in the power of My Heart, a Heart that knows everything and hears everything. Come to my side and lie in My Arms.

Do not forget that I Am your Mother and Mediator. I Am here to encourage you rather than to judge you.

Let the aspects of consciousness die by themselves. Do not give them reason or space. Continue, every day, working on your unconditional yielding and surrender of self.

Let yourself be overcome by the spiritual Light of My Heart and then you will see what happens.

Free yourself from anguishes, from predicaments, from all that is not love and compassion and again, in trust, look toward Heaven; recognize, within the firmament, where you come from and who you in truth are. Recognize yourself as a child of God and continue onward.

Do not tire of struggling, just as Christ did not tire even for a moment for you, until His Death on the Cross. Contemplate, through this event, the power of a renewing Love.

Do not feel imprisoned by anything. Do not decree it or think it. Believe, above all, in the spiritual essence that you are, rather than in your defects.

I do not need you perfect, I only need you to be sincere with an open heart and solicitous for whatever.

God always accompanies you in this walking, until you are able to enter His eternal and profound Peace. Do not become discouraged, be glad for being detached from your own self.

It is time to Christify the Earth with souls redeemed in the love of God. It is time for you to feel yourself as a New Christ.

I thank you for responding to My call!

Who blesses you,

You Mother Mary, Rose of Peace
