DAILY MESSAGE RECEIVED OF GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM THE CITY OF GENERAL ROCA TO VIEDMA, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Through My Wounds, I illuminate the dark abysses of the Earth, and each time I descend here, I release the fallen prisoners, carrying a great part of souls that are lost into the deep oceans of My Mercy.

Through My Wounds, I exorcize the psychic sphere of the Earth, and the Elohim purify the crust of the planet in order to detoxify it of the perverse currents of My adversary. Once again, the Archangel Saint Michael buries his powerful non-material Sword of Light and all the shackles of perdition and of damnation are dissolved on the coming of the extremely powerful transmuting cosmic fire.

Through My Wounds, the innocent are protected, as long as someone cries out for them and pleads for Mercy. Thus, all who are exploited, at some point, will be freed from their slavery and, once again, Mercy will triumph.

Through My Wounds, I establish the beginning of the Kingdom of the Heavens and souls are freed from the spirits, that wander the world, in order to condemn consciousnesses. What is most impure on Earth is cast out and the spirits in constant sorrow are consumed by fire and in brimstone so that any vestige of malice may vanish.

May the light of the power of My Wounds and the Glory of the Archangel Michael triumph again, so that peace may be established.

Thank you for keeping My Words in your heart!

Who blesses you,

Your Teacher, Christ Jesus
