DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM SAN CARLOS DE BARILOCHE TO GENERAL ROCA, RÍO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the hour of My Mercy, I have much to give to souls, but the majority are not encouraged to drink of My prodigies, from the Fount of Living Water, because in many cases they put their attention in other places and not upon Me.

The souls of the world sometimes wonder about the reason and the motive for their suffering, and the first thing they do is blame God for the consequences they live, when in reality, they are the result of their own acts.

But in the Hour of Mercy, My prodigious Heart has the power to reverse many evils and misunderstandings, as long as souls trust in My Merciful Heart.

I encourage My true followers to spread the redemptive Work of My Mercy so that souls may learn to not make hasty decisions that affect humanity.

I invite you to seek humility within your beings so that the Truth may someday set you free.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
