DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Open your heart and your mind to perceive the Christic signs that I could place in some of My Own, in order to physically safeguard the Redeeming Project of humanity.

Open yourself to the mystery of the Divine and of the Higher so that in your inner world the central temple of the heart is prepared, so as to be able to welcome new laws and new life principles.

Within the context of the world situation, the Celestial Universe will carry forward some movements, in order to protect and to shelter what has been planned to be concretized through the servants that I have summoned for this sacred task.

Thus, open your consciousness, even though you do not yet know or understand what will happen and what I have foreseen for each being.

The most important thing is that the Will of God be established, and that this Will be carried out where it was foreseen it would be concretized and manifested.

A place where it should be carried out is in your consciousness, because what you must go through and vividly experience in honor of My Divine Person, in honor of My Sacred Heart, is already foreseen and written.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
