DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANÓPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

No matter how difficult the times may be, never lose the joy of living transformation through the Merciful Love that the Mother of God can offer you; in this way, everything will be purified and healing will reach your soul through the different cycles.

Never stop looking up to Heaven and believing that, from there, spiritual and divine help will come. God, as the Father of all of His creatures, is Infinite in Love and Mercy, and from this spiritual expression, souls will be able to be further united to Him and to His Divine Kingdom.

Thus, live the power of transformation with joy so that, little by little, the habits of the earthly consciousness may gradually be transformed, discovering that, behind every step, the Love of God exists, expressed from His Infinite Source.

Trust, have faith and everything will be healed.

It is time to be reborn under the Light that Divine Mercy brings to the world.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
