DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I make you apostles of nations, those who should go to some place on Earth to bring My Love, My Peace, and My Message.

I make you apostles of peoples, so that you may bring My example, My Truth and show the way that I offer everyone through My Heart.

I make you apostles of the races so that you may carry My Christic energy in your hearts and you may help the dying in spirit so that they can learn to drink from My Fount of Love.

I make you apostles of the Way so that, like the Twelve, you may bring my trust and fullness to those who need it.

I make you apostles of the Truth so that, beyond your imperfect lives, you are able to transmit and deliver to the world My solemn energy of Love-Wisdom, because it will protect the last Christs that will emerge to help humanity.

I make you apostles of transparency and good so that, in your acts, feelings, and duties, what I need to build in you may be reflected.

I make you apostles of Mercy so that, in this remaining time, you will let the world know the infinite and pious Mercy of My Heart.

I make you apostles of the end times so that you may learn to go through the final cycle and so that you may help souls in their spiritual and physical transition.

I make you My apostles, when you allow Me to, because I still hope that all the attributes of the apostles of Christ may be accomplished in the end times.

I thank you for being apostles of My Truth!

Who blesses you,

Your Master, Christ Jesus
