DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED ON THE EAGLE OF LIGHT BUS, DURING THE TRIP FROM PORTO ALEGRE CITY, BRAZIL, TO THE MARIAN CENTER OF AURORA, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Dear companions,

Offering Our Hearts to the Celestial Altar as part of this Plan of God, we cry to mankind to establish peace in their lives. We ask that you awaken a little more to the true need of the planet, because in the times that will come you will need to demonstrate a greater awareness and maturity. Those who are blind today in the spirit and heart will seek relief and guidance in those who can be minimally balanced in the face of the planetary situation.

Know, dear ones, that - in the view of the degree of evil and hatred that lives in the hearts of some human beings - the outbreak of a third world war can completely destroy planetary life. The hearts of many rulers are only thirsting to demonstrate power and superiority over others beings in the world. It will be a battle between chaos and evil, because there will be no rules and there will be no mercy. All nations will want to demonstrate their power and they will ally one another to destroy the others according to their beliefs.

Just look at the world around you and be able to see a higher priority than your own lives, because the Plan of God transcends individuals and, if necessary, the Lord will ask for more of those who believe they have already given all, because not just the planet but the universe also needs it.

I ask you to seek to know the truth that is in your hearts, so that you are not taken by the terror that will spread throughout the world. Do not despair in the days to come, for the Spirit of God will sustain you, always when you are His servants and His soldiers of peace and prayer.

I do not tell you that you will suffer nothing; however, all the suffering and all the trials that the Lord places in your paths will be for you to generate merits for the salvation of humanity.

I tell you that from now on you learn to love and to accept differences, because We will ask you to welcome and support beings that are very different from you according to all points of view.

Also on this day, I will beg you to help the missionaries of Mary to reach the Middle East soon, before their doors definitely close and the souls there, seeking a way out, do not find mercy, but only justice.

The service we ask of the missionaries, who are consecrated in spirit and soul to the Plan of God and His Messengers, is not like any other service rendered in the world. Through them, We can enter deeper into the planet and pour out a flow of mercy upon those who would not deserve it in this life.

Therefore, companions of My Chaste Heart, strive every day to be more awake, because We can no longer alert you. The time of change has already arrived.

Your Beloved Father and Friend, The Most Chaste Saint Joseph
