DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Songs of Figueira - "From these hills"

Within this song of Figueira, we can testify and feel the expression of the gift of faith, in an aspiration to attain this profound contact with the soul.

"From these hills" is a song that reveals to us a priestly lineage, an intermediate bridge for earthly life that allows accessing contact from Above.

In this sense, the song offers harmony and also affirms the response that the Eternal Father, time and again, radiates to His children.

The state of retreat grants the deepening of this contact with the Above and with the Universe.

For this reason, the retreat facilitates this inner state of communication with the Higher Laws and allows us to place our consciousness before what will be necessary to transform in these times.

Faith is this higher gift that, day by day, strengthens our commitment with the Above. In this way, the soul, within this fortitude, will be prepared to assume responsibilities and thus carry forward the purpose of its mission.

For this reason, the song, at a moment, reveals that Figueira gives it peace. Which means that Figueira, as a sacred tree of wisdom, offers seeds of instruction and knowledge so that the consciousnesses may awaken and learn to uplift.

The song invokes harmony because under the principle of harmony lies the path of inner unity. Thus, the souls separate and liberate themselves from the superficial conflicts that lead to disharmony.

This song also attracts evolutionary principles, and, at the same time, through simple examples, it teaches how to correctly contact higher life.

By opening to this contact with the higher levels of consciousness, the soul will be able to love the First Law and, thus, be beyond itself to be able to be in the Whole.

This aspiration, to live the life of the spirit correctly, brings the consciousness to the inner encounter with the Spiritual Hierarchy.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
