DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

In order for you to be able to reach the Heart of the Father, and not only be a knower of a part of Divine Wisdom, but also experience it, you must begin to make the most basic principles of evolutionary human conduct a reality and life within you.

You were called to transcend the common and natural tendencies of the human beings of this time so that a new life may be established on Earth through your heart and so that all who seek spiritual life may find a meaning for their own existence.

Begin, then, by being faithful to God, true and transparent before Him as well as before your brothers and sisters, without fear or shame of making your effort and transformation visible. Be faithful to what you already know an evolutionary behavior, replacing, in your consciousness, decadence for evolution.

Go deeper in your daily prayers and make them more sincere each time, leading you to a transparent dialogue with God, confessing to Him so that, in this way, you may surrender what for you seems impossible to transform.

Sincerely strive to love and understand your neighbor, and overcome yourself every day, not leaving your request for forgiveness and a sincere act of reconciliation for later, when you offend someone or when you are offended.

If you do not strive in these little things, to no avail will God pronounce before you and your heart the most sublime Revelations of the celestial mysteries and make known to you the most pure Truths about life and infinity, because the Wisdom will be lost in the imperfection of your mind and, although you may believe that you know many things, you will not be an instrument for the manifestation of this Truth on Earth.

You will not be worthy of being a participant in the sublime things of Heaven, not because you have not had the tools and opportunities for that, but because you did not open a space in your heart to experience the Truth, be transformed by it and announce it to the world, through your own life.

For this reason, go and deepen within the simple things. May the experience of the Truth accompany your Revelation. At least try it, everyday.

You have My blessing for that.

Your Father and Friend,

The Most Chaste Saint Joseph
