DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF SÃO PAULO, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I bring a lot of infinite Graces to the world, but only a small part of humanity receives them with joy and plenitude. For this reason, I will not rest until I am able to give My children all the opportunities that I have for this suffering humanity.

My Graces allow very powerful conversions and redemptions in the hearts of the world, as well as great chances to be able to revert the spiritual and material life of the beings.

This is the time when the souls of the Earth should have, even more, their attention directed toward Heaven because from there will come the so needed help for these critical moments; from there will come what each being needs for their different phases of purification and redemption, until they reach the total consecration of their soul to God.

May humankind know that My Heart is full of Graces for souls and that I wait for you to ask for them through sincere prayer.

I wish that this petition may not be personal, but planetary; that it may be a request of Mercy for hundreds of souls that, day by day, walk towards the portals of perdition.

I thank you for the dedication in praying for the nations of the world; they are, in these times, very much in need of intervention and spiritual help.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
