DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Attain the serenity of your soul, by surrendering more each day to the Divine Will, which conceives all and transforms all.

Attain the serenity of your soul, by trusting that everything will be well and that your heart will receive the spiritual guidance, necessary for these times.

Attain the serenity of your soul, by knowing and affirming that you will be taking steps in Christ, because His Divine Blessing will always be close to you.

Attain the serenity of your soul, by confirming within you the fulfillment of this Plan of Love and Light, which will have to reach all the possible souls and corners of the world, so that the Work of Mercy may be fulfilled.

Attain the serenity of your soul, by having an absolute and inextinguishable love for all that must be concretized.

Attain the serenity of your soul, by knowing that in each phase God will triumph, beyond everything.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
