DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Pray, not only in a moment of urgency and agony, pray for a new life, pray for the awakening of your heart and your consciousness to a new time, to a superior reality.

Pray for all nations, pray for the continents and the seas, because the time for the great trial of the Earth has come and humanity cannot be indifferent before what happens in the planet.

Pray to bring peace, pray to know how to discern and so that wisdom may permeate your spirit, mind and heart, removing from your consciousness the powers of fear and insecurity.

Find your refuge in God, child, contemplating the greatness of His Plan for the hearts of men, and pray so that this Plan, which is perfect, may descend upon the Earth and upon the human consciousness.

Pray that the hearts may know love and that love itself may give them an impulse to unity and transformation. Pray for there to be peace and that the ignorance of men may dissipate. Also pray for those who will awaken late and will need an opportunity to live their own redemption.

Pray so that in the hearts of men there always be piety and humility, so that they may know how to forgive and reconcile with their fellow beings and with God.

Pray without ceasing and without fatigue; pray because this is the tool for these times that opens the doors so that all the virtues that will sustain the Earth may descend upon you and upon the world.

Pray and do not get tired of praying.

Your Father and Friend,

The most Chaste Saint Joseph
