DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

And someday, you will come to Heaven to be with Me, and you will tell Me how your experience of love and forgiveness on Earth went.

You will tell Me, step by step, what you have lived for My cause, and I will bless you again in the name of the Father, the Son and the Holy Spirit.

Thus, your wounds will be healed and you will no longer remember anything about suffering. You will enter through the main door of the Kingdom of the Heavens to unite with and join the blessed.

There, face to face, you will find those you have truly loved, and those you once loved will approach you to give you the warmth of their fraternal embrace.

You will feel unknown happiness within your spirit and you will no longer remember the struggles you once lived to be able to overcome yourselves. You will only have the memory of the true affection you once felt from those you loved wholeheartedly and with all your strength.

You will be placed in the Fount of Purification so that your head, hands and feet may be washed, and thus, right after, you will enter the House of the Heavenly Father alone, you will come to know His Seven great Golden Portals and, before you, the majestic humility of His Kingdom will be revealed.

Therefore, I tell you that it is worthwhile to continue sacrificing yourselves for Me because, after this whole story of life, which you are going through at this moment, you will find the powerful joy of having lived in God and for God.

You will help to recreate Creation with your example of renunciation and redemption, and in your spirit, you will build the result of a long trajectory of love and service for humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
