**DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE LOCALITY OF SAO JOAO BATISTA, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear child,

Fully confirm in your heart that I will always be your Mother and that a good mother never forgets her children.

A good mother feels the despair of even her smallest child and she also feels their joy.

A mother who has given birth to her child knows everything and her heart never fails, because in spite of the distance or wherever her child might be, a good mother, through her feminine intuition, feels everything that her child is going through.

So trust that a good mother will always understand you and console you. Because a good mother is capable of giving her life for her children, just as she did when giving birth to a new being.

In the maternal womb it is held the whole story between mother and child. The times of joy, the times of pain, as well as the happiness of bringing a new life into the world.

A good mother waits patiently for the love of her children. She cries, in silence, the sorrows of her heart, because a good mother always wishes good for her children, beyond everything.

A good mother is a tireless warrior of God.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
