**MONTHLY MESSAGE OF SAINT JOSEPH, THE MOST CHASTE AND FAITHFUL WORKER OF GOD,
TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA**

In the Name of the Father, the Son and the Holy Spirit always revere the Divinity that approaches your hearts.

Dear servers of Christ:

As a Shepherd and faithful instructor of souls that aspire to arrive to God, today I ask you to never lose reverence before the Sacred. Never forget that reverence is the basis upon which is constructed a life of consecration.

To the servers of God and to the followers of His Plan for this New Earth I say that reverence must be in each instant of your lives.

The greatness of reverence is unknown to many hearts of the world but it is only through it that the door that unites you to the Divine will be always open. Reverence brings the Divine to your lives.

Have reverence, one to the other, demonstrating in this way the comprehension of the Divine in each thing created by God. In the Creation of God is His Consciousness. All that the Father has created was made to be a direct link with His Consciousness.

Imperfection was created due to the lack of reverence of the hearts because all that God has created is perfect, so that inside of His Plan each piece may fit into its right place. But to comprehend where God is in things and beings, and in order to discover what is His Plan for each consciousness, as for each Kingdom, it is necessary to revere.

Through reverence you will discover inside of your hearts, with simplicity, that many keys to transformation are accessible to your hearts.

Inside of reverence is found Chastity because a heart that reveres all of Creation finds in It God, and in God does not exist impurity, in God all is Chastity, and all is Purity.

Inside of reverence you will find Humility because by finding God in the other you will be able to recognize the greatness of each heart, the Perfection of all the Creation, the beauty that there is in everything and in all that were created by God.

Inside of reverence you will find Equilibrium because a heart that truly reveres is just, it knows how to deal in a just way with all things because it discovers the Truth that each one manifests.

If you only were reverent much in your hearts would be purified. The soul is approaching to God through reverence; the spirit is attracted to the soul through reverence.

God finds space in the life of humanity and His Consciousness is able to reveal Mysteries that had always been hidden because for the Greater Law to be lived on Earth and to be manifested among humans, it is necessary the Sacred already exist in its consciousness and the Sacred is found in

reverence.

Dear servers of Jesus Christ, today I only tell you that all the affliction that there is in your hearts would be dissolved in the joy that is be able to revere God in all the things.

If you aspire to live in God, you will attract to your hearts and to the day by day of your lives reverence and little by little, even as a sweet game of revering, God will enter on the Earth and the Sacred will live again among humanity.

It is necessary to know how to listen and with joy to know how to follow the instructions that come from on High.

In this way learned the Saints that lived amongst you.

From the Eternal Heart of God I leave in your hearts the Eternal Love of My Most Chaste Heart for all of humanity.

I thank you all for opening to Me the door of your hearts.

Saint Joseph the Most Chaste and Eternal Faithful Worker of God.
