WEEKLY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Love God and His Plan and in it you will learn to love all things.

Seek, above all things, the love for the Father and the Love of the Father, and pure will be the love that is born from your own heart.

All the truly spiritual things seem distant to you because, in truth, your heart is still distant from God.

Seek, child, the true Love in God and you will discover His simplicity and His purity. You will discover that life unveils its mysteries when your heart loves God, because the very Love within you allows your eyes to recognize the Father in all things.

Aspire to wisdom, to knowledge, and to discernment. Aspire to know the celestial mysteries and the universal truths, but today I tell you that, before all things, you must aspire to Love and look for God; you must seek the Love of the Father and His Presence, and God Himself will reveal to you His Mysteries.

Without Love there is no wisdom, there is no truth and there is no peace. Without Love, there is no mystery that will be revealed or true spiritual maturity that is born in the heart. Without Love, there is no overcoming of tests, nor how to transpose challenges.

Seek, before anything else, the Love of God, and in it you will find all things.

You have My blessings for this.

Your Father and Friend,

The Most Chaste Saint Joseph
