MESSAGE FOR THE APPARITION OF MARY, ROSE OF PEACE, TRANSMITTED IN EL BALNEARIO EL CONDOR, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Like a Bird of Light, I travel through the world to relieve it of its pain and suffering.

Through the prayers of My children for the nations, I can support the peoples and the races in spite of the difficult situations that countries face today.

On the spiritual plane, with My Light I nurture, and with My Love I heal those who are most in need, and from Heaven I attract the divine help so that certain regions of the Earth can maintain their spiritual equilibrium and stability. All of this forms part of a planetary task.

Through each Mystery of the Rosary, prayed for peace in the nations of the world, My praying children and servants accompany the Mother of God in these definitive times.

The outcome of prayer is indescribable because the universal power that it has is still unknown and, as in the prayer of the Rosary for Peace in the Nations, all the work, if dedicated with love and devotion, has greater effects and reaches cosmic levels.

Thus, My only aspiration is that, in spite of what may happen with each one or with the world, never cease praying, never fail to keep Heaven and Earth united and to keep the spirit of each one united with the Holy Spirit of God.

Never desist, even though many may desist.

Never let go of the hand of the Mother of God because, within this unbreakable union, love will triumph and the nations of the world will not suffer as much as has been foreseen.

Unite, day after day, with My Rosary of Light.

I thank you for responding to My call!

Who blesses you in this mission,

Your Mother Mary, Rose of Peace
