DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FLORIANOPOLIS, SANTA CATARINA, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear child:

The time has come for you to see, within yourself, the reality of your true being and do not fear to purify it, because freeing yourself from the chains of the past, you may be able to take firm and secure steps towards the concretization of the Plan of God on the surface.

With neutrality, love, and harmony, let your story written in the Universe emerge from within you and show itself so that your consciousness and your life can make a synthesis, and everything, absolutely everything, is forgiven.

Pour your hope and your faith into My Heart, because thus I, as your Mother, will teach you to be different, from the moment in which you confirm within yourself that you no longer accept to carry so many mistakes committed.

Trust in the infinite power of the Mercy of My Son, because it will be His Divine Mercy that will guide you toward the path of redemption and of rehabilitation.

I understand that it is not easy to see the inner reality as it is, but encourage yourself to surpass the barriers of suffering so that the powerful energy of grace may act in everything, and thus, again, you overcome in the Love of Christ.

As of now, decide to change your destiny so that the Hand of God may lead you to His House.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
