DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

Do not seek the perfection of life so quickly. Allow service and constant donation of oneself to be that which is leading you to one day find that perfection.

Let humility rule all arrogance and strict obedience rule any kind of human control; in this way you will be able to draw yourself a little closer to the essence of perfection.

Trust that, by stripping yourself away, you will allow other sacred principles to act in your life, such as renunciation, anonymity, silence and sacrifice, virtues that will slowly help you build that path towards perfection.

In the meantime, thank God for each trial or difficulty lived.

Thank Him for teaching you to surpass Him in love, even in the simplest details.

Begin working on your path towards perfection with your ardent need to serve others and to give yourself fully, so that the same Divine Spirit of God's Grace be the one who, one day, conceives in you the total consecration of your consciousness to the Sacred Will of God.

On that day, and under that circumstance, you will be overcoming duality to begin living in the definite unity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
