DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

By means of the Light-Communities and the Marian Centers, that must be founded within this next cycle, in the height of the Andes of Ecuador and of Colombia, your Master and Lord will create, from the plane of the spirit, the first refuges and spaces of material protection for the most acute time of the Armageddon.

For this reason, the foundation of the new Communities, which at first will be nuclei of love and of light, must count on the unconditional support of all the members of the Work; because just like the future Community in Mount Shasta, the Spiritual Hierarchy will have a manifested space where it will be able to deposit and keep the Sacred Treasures of the Universe.

As everything is still to be manifested, from the spiritual plane to the material plane, the first step for those responsible for such work and its sustenance will be their internal and permanent union with the Hierarchy so that, beginning with this union, all spiritual principles of the Communities may be visible and conscious within the souls that will be part of this important task.

While your Master fervently expects the concretion of these next Communities, never forget that everything sustained and fulfilled for the Communities is out of love for the Divine Hierarchy, so that this humanity may count on spiritual resources that may help it to take its steps toward redemption.

Therefore, everything you do and everything you offer to the Light-Communities, from the smallest to the greatest, will be for the permanence of the Hierarchy present there, in each human heart, as in each space.

In this time, within the Communities, that is, within the islands of salvation of the end of times, there will only live consciousnesses that, with reverence and obedience, follow the definitive steps of the Hierarchy; otherwise it would be impossible to project a New Humanity, a new consciousness.

I wish for you to remember, in the coming times, that your Master and Lord patiently waits, with fervor in His Heart, for the concretion of the next points of light and love in Ecuador and in Colombia, lands appreciated by God since the beginning.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
