DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

My crying demonstrates to the world the pain that wars cause My Heart; especially those that are generated in the Middle East.

In this way, love among brothers and sisters is lost, as well as brotherhood among beings because of the prevalence of certain ideals of conquest and ostentation.

Today My crying is for everything that I see happening there, in the Middle East, and what that harsh confrontation among the nations and its peoples is causing.

Peace has already dissipated and that is My principal agony as a Mother.

Weapons have gained more power and reign more than hearts themselves, and something worse could be unleashed in weeks.

For this reason, I come to ask My children who pray to intercede before the Father, together with Me, and that each prayer may be a spark of light that ignites within a dark planetary reality. That this light, which comes from prayer, may illuminate the inner spaces of the consciousness so that the dignity of being children of God, and brothers and sisters among the nations, may be recovered.

I wish for My crying to be felt and heard.

In truth, children, something worse has been unleashed in the Middle East and we must beg God that He, with His Infinite Power of Love, stops it.

I will be grateful to you for your inner union.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
