DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM LOS COCOS, CÓRDOBA, TO THE CITY OF SANTA FÉ, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

With love concentrate your gaze on Me and contemplate the humility of the Merciful Love of God, made consciousness, soul and divinity in constant offering for the souls of the Earth.

Glimpse, through My Eyes, the celestial Paradise of God and how the Rays of My Mercy are the new Aurora that will rise glorious and sublime at the end of these times.

Try by all means to find Me on your path, to feel My unconditional Presence in each prayer as in each service rendered.

Listen in the silence of Adoration to the beating of My sincere Heart and feel the power of My Words in all that I pronounce, as well as in all that I decree.

Stay within the Kingdom of My Heart and celebrate with the angels the perfect communion with all that is superior and comes from God.

Do not leave My steps behind. Rather, fix your gaze on the sacred footprints of the Master imprinted in His Messages as in His testimonials of Redeeming Love.

Stay in the Presence of the Lord and make the planetary life resurrect so that some day everything may be renewed.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
