DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF SAN SALVADOR, ENTRE RÍOS, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

May nothing surprise you in the end of this time because to those who abandon Me, after having given them everything, everything will be taken away from them and nobody can complain because the Divine Justice will be working.

Sometimes human consciousnesses think that My plan is a project, that it is for a reason and is temporary; but in truth I tell you that you will know the reality of My Work.

I can no longer place My trust in the tepid hearts, renovation only promises more transformation and effort.

And if with the little that I ask you to do you already feel tired, who will protect the back of the Master when the time comes to defeat the adversary with My Sword?

Will you sleep at the feet of the tree as Peter did? Who will vigil with Me at the most culminating moment?

It is enough to lament and justify yourselves for not knowing how to find the exit for the block or resistance.

I only ask you to love what you do because otherwise I will have before Me a countless number of ungrateful ones.

Where are My apostles of the last times? Are you only present when you need Me?

I cannot lose treasures again, as they were once lost in all who honored me before and crucified Me afterwards.

Will I have to feel your nails in My Hands again? Where is your mercy for Me? By chance have I not given you all that I Am and all that I have?

My brothers and sisters reflect; it is no longer time to abandon the ship because the storm of these times could make you get lost.

Before deciding, pray, pray and only pray.

One cannot live My Work of Redemption with their feet in two paths; I want you cold or hot.

Do not lose the opportunity of making one more effort. If at least you do not do it for your brothers and sisters, do it for Me, truly, so I will be relieved.

Deny your fanciful reality now, the Greater Life calls you to truly love.

I thank you for respecting and considering My Projects!

Who blesses you,

Your Master, Christ Jesus
