DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF DE AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My Words are heard by those with an open heart and they echo in the inner worlds.

My Words are not wasted, but they enrich the spirit that adopts them as part of itself.

My Words are unchangeable and remain alive throughout times; they build the new and make of each soul the best present for God. Because when the vibration of My Words is experienced, a great transformation occurs in the consciousness.

My Words make you relive the commitment all the time; they penetrate in the depths of the consciousness that takes them as part of itself. And all of this performs great miracles, because My Word is considered a Source of salvation and redemption for the souls; it is the permanent guide for all hearts willing to represent My Message on Earth.

It is in this way that My Divine Word never fails, with It the whole spirit sublimates and is able to consecrate itself.

I thank you for keeping My Words in the heart!

Who blesses you,

Your Master Jesus Christ
