DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Never allow yourself to lose faith in the most difficult moments.

Remember Peter when he had to walk amongst the waters, sustaining himself only on an act of faith. It was faith that kept him standing and took him, beyond everything, to trust in the Divine Presence of the Lord.

In the same way, today, Christ calls His servants to walk and go through these critical times through the fire of faith. Because it will be faith itself and the trust of your hearts that will grant the true miracles of life.

That, in faith, you may be able to sustain, fulfill and donate yourself, because who is truly in faith does not fear anything.

That, in faith, you find the Divine Faith of Christ, the same Faith that sustained Him in each stage of His Life, as well as His surrender of love for others.

If in My Son faith had not been present from the beginning of everything, it would not have been possible to go through and live everything that He experienced.

Faith is immutable, constant and neutral; it is nourished from the Divine Source and repels the evil influences.

The path of faith gives us peace and in peace one can be qualified to discern and have wisdom.

The faith of each believer in God will be the great key that will save the world because to have faith is to have love.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
